
Springboard.io

- personalized onboarding checklist
- who to contact → it, peers, HR
- Agentic tasks → tools, docs, permissions
- Searchable AI guide answers questions
- Role based learning

Gap: offer → productive

1. HR uploads a new profile → MCP other HR software
2. System auto-detects role, location, dept → ??? personality question. → test buddy matching
3. generates onboarding plan with contacts, docs, tasks
4. new hire asks, "what do i need before monday?" → checklist
5. managers oversight HIL

HIL by managers

- policy aware routing
- role based templates
- smart first week planning
- buddy/mentor matching
